1. The pumpkin must be free of all wet rot and cracks which go through the outer skin.
2. All pumpkins must be grown on the island of Ireland.
3. All defects must be made known before weigh-in.
4. Competitors and friends/families must be on site one hour before the weigh-in commences.
5. The Virginia Pumpkin Festival Committee accept no responsibility for damage to the pumpkins while on site.
6. The Virginia Pumpkin Festival Committee accept no responsibility for personal injury before, during, and after the competition.
7. The Virginia Pumpkin Festival Committee accept no liability for damages to equipment before, during, and after the weigh-in.
